#### **General Assembly 2024**

- SB176: Removes neurocognitive disorders and neurodevelopmental disabilities from the definition of mental illness for the purposes of emergency custody orders (ECOs) and temporary detention orders

**Dementia Services Coordinator:  
Quarterly Report to the Alzheimer's Disease and Related Disorders Commission**

(TDOs) as of July 1, 2025; bill must be reauthorized in 2025 General Assembly. Also directs the Secretary of Health and Human Resources to convene a workgroup to "evaluate, identify and develop placements for individuals with neurocognitive disorders and neurodevelopmental disabilities specify any statutory or funding changes needed to prevent inappropriate placements for such individuals, as well as provide recommendations for training of magistrates and community services boards related to the implementation of the bill, and to report the findings and recommendations by November 1, 2024." Workgroup required to include representatives of local community services boards, the Virginia Hospital and Healthcare Association, and the Office of the Executive Secretary of the Supreme Court of Virginia. Passed Senate 2/13/24, passed House 3/1/24.

- **HB933**: Alzheimer's disease and dementia training for dispatchers, firefighters, and emergency medical personnel. Requires certain agencies in the Commonwealth to develop curricula and provide training related to Alzheimer's disease and dementia to dispatchers employed by or in any local or state government agency, firefighters, and emergency medical services personnel. **This bill is a recommendation of the Virginia Alzheimer's Disease and Related Disorders Commission and the Commonwealth Council on Aging.** Passed House 2/8/24, passed Senate 2/26/24.
- **HB1455**: Establishes the Virginia Memory Project in the Virginia Center on Aging at Virginia Commonwealth University to collect and analyze data on Alzheimer's disease, related dementias, and other neurodegenerative diseases; provide assistance to individuals with Alzheimer's disease, related dementias, and other neurodegenerative diseases and their families and physicians; and assist in the development of relevant public policy. The bill provides that no publication of information shall be made that identifies any patient by name. The bill has a delayed effective date of January 1, 2025. Passed House 2/13/24, passed Senate 3/4/24.

**Budget Amendments**

**315 M Dementia Plan of Care and Case Management** (\$200,000 each year)

(This amendment adds funding each year from the general fund to implement an interdisciplinary plan of care and dementia case management for 100 individuals diagnosed with dementia through a partnership between the Martha W. Goodson Center of Riverside Health Services and the Peninsula Agency on Aging. Language requires a report on the program by November 1 annually.)

**319 H No Wrong Door Dementia Capability Project** (\$100,000 each year)

(This amendment provides \$100,000 each year from the general fund to the Department for Aging and Rehabilitative Services to implement the No Wrong Door Dementia Capability Project to improve the identification of people living with dementia, particularly those living alone. **This is a recommendation of the Virginia Alzheimer's Diseases and Related Disorders Commission.**)

**United States 118<sup>th</sup> Congress (S=Senate, HR=House of Representatives)**

- **S.626/H.R. 1637: Comprehensive Care for Alzheimer's Act.** Recommend that the Center for Medicare and Medicaid Innovation test the effect of a dementia care management model. Under the model, participating health care providers receive payment under Medicare for comprehensive care management services that are provided to individuals with diagnosed dementia, excluding Medicare Advantage enrollees, hospice care recipients, and nursing home residents. Required services include medication management, care coordination, and health, financial, and environmental monitoring, as well as trainings and other support services for unpaid caregivers. Providers must furnish services through interdisciplinary teams and must ensure access to a team member or primary care provider 24-7. The CMMI must set payments and determine quality measures for the model in accordance with specified requirements. The bill also allows the CMMI to design a similar model under Medicaid. S: Read twice and referred to Committee on Finance (3/2/23) HR: Referred to Subcommittee on Health (3/24/23)
- **S.134/H.R. 620: Alzheimer's Accountability and Investment Act.** This bill requires the National Institutes of Health to annually submit, beginning in FY2024, an estimate of its budget and
