Prioritizing Goal 2 & 5 Strategies

The group worked on prioritizing strategies under Goals 2 (data) and 5 (research) of the Dementia State Plan into short, medium and long-term, and high priority. Short-term strategies are those that are ongoing or can be achieved within one year; medium-term strategies are those that can be achieved within the four-year Plan period, and long-term are those that are unlikely to be achieved within four years, but for which incremental efforts can be made. High priority strategies are those of any term that are considered especially important to work on. The prioritization effort is the
